

What is Compatibles?

Compatibles is Southend Mencap supported introduction Service, for adults aged 18 and above with a learning disability. We introduce individuals for friendships or romantic relationships and help to increase social circles and fun based events.

How does 'compatibles' work?

Through introducing and matching individuals of similar interests, we aim to provide opportunities for individuals to meet and get to know each other better.

We support follow up meetings so fulfilling friendships or romantic relationships can be developed as desired by the individual.

Our fun-filled events during the year, helps to bring individuals together. These include speed dating, karaoke and a Christmas party. There are party games, music, dancing and lots more.

Some individuals have found lasting relationships through the Service and although finding a match is not guaranteed, you are sure to have plenty of fun and meet new people.

Compatible members pay an annual fee of £24.00. If you wish to join, contact Shirley or Alison on 01702 341250; email on: southendmencapcompatibles@hotmail.com
